

BUILDINGS AND GROUNDS COMMITTEE SUMMARY

October 4, 2013

Opening Remarks

Co-Chair Carolyn Revelle greeted and welcomed all present. Introductions were made. She indicated that the list of Goals and Objectives for the coming year were listed, and reminded everyone that the Sakai portal has all archived materials for the committee.

Minutes

The minutes of the April 16, 2013 meeting and the August 19, 2013 conference call were approved as submitted.

Katharine Howard Miller '55 Wing of the Bette Cree Edwards Humanities Building Update

Kaitlin Drisko of Drisko Studios Architects reviewed some of the proposed interior finishes. She also confirmed that the outdoor elements were consistent with existing materials for the building, as are the interior finishes.

Summer Projects 2013

The committee toured several of the projects completed this past summer and some potential projects under consideration:

1. Dean of Faculty Office (complete)
2. Dean of Students Office (complete)
3. The Aldo Casanova sculpture installed in the Sculpture Garden (complete)
4. The Institutional Advancement Office improvements in Steele Hall (complete)
5. Platt Island lawn removal and substitution of drought tolerant plant materials (possible future project)
6. Miller Wing of Humanities Building construction site (in progress)
7. Revelle Garden entertainment space expansion (some work done, possible future project)
8. Revelle House kitchen renovation (possible future project)

Adjourn

The committee adjourned at 10:30 a.m.
